Club event website, Entry & Notice board - <https://scm.royal-southern.co.uk/event/summer-series-2026-may-regatta#login>

Early Entry is £330 before 30th April. Late entry after 30th April is £412.50

You will notice this is a higher entry fee than similar classes such as the SB20/J70, this is because ours is an all-inclusive one fee, there is not. Our event is 3 days of racing as opposed to their two days of racing. Our entry also includes berthing from Thursday to Sunday, crane launching, trailer storage at the Royal Southern and Vakaros use which their entry does not include.

Vakaros – we will use Vakaros RaceSense for this event. See RS21 Vakaros Info Doc for details.

At the bottom of the road, turn sharp left in to Rope Walk, continue past the first entrance and on to the second entrance (do not try to take the boat into the first entrance), the second gates on the right will be padlocked (contact Liam for code), enter through the gates and be sure to close them and relock after you.

Accommodation

- A small number of rooms are available on site at Royal Southern YC. Mercury Holiday Park (approx. 5 min drive) has Holiday homes and static caravans available. There are also some B&Bs and others available through Airbnb, booking.com etc
